Our Mission Statement

The Hackensack Troast Athletic Club was founded in 1938. Our Mission is to promote good sportsmanship and build moral character for the youth of Hackensack and its sending districts, with the hope that the teaching of these values will enable young people to become positive, contributing citizens. The Hackensack Troast Athletic Club, through its continuing sponsorship of community based youth sports and Hackensack High School scholarships, and the support of semi-professional baseball team, assists in developing civic pride. Whether winning or losing, teamwork requires determination, while instilling discipline and confidence. These traits are developed through strong community involvement and athletic programs, which are supported by the Hackensack Troast Athletic Club.

What's New

If you haven't visited in a while, we had a lot of work done at our dear building.

Our kitchen is almost completed, we are now proud to present a commercial grade kitchen with all its safety features, a new refrigerator a new counter top and new floors.

Thank you for all your support, you made this happen!
