Our Mission Statement

The Hackensack Troast Athletic Club was founded in 1938. Our Mission is to promote good sportsmanship and build moral character for the youth of Hackensack and its sending districts, with the hope that the teaching of these values will enable young people to become positive, contributing citizens. The Hackensack Troast Athletic Club, through its continuing sponsorship of community based youth sports and Hackensack High School scholarships, and the support of semi-professional baseball team, assists in developing civic pride. Whether winning or losing, teamwork requires determination, while instilling discipline and confidence. These traits are developed through strong community involvement and athletic programs, which are supported by the Hackensack Troast Athletic Club.

- - - Memorable Experience - - -

During the past year of 2016, I had the pleasure to serve as your V.P. Thanks to this opportunity, I learned much about the tenacity of a few good men to move forward while trying to make a difference, and also how the power of goodwill transcends expectations while turning ideas into reality; I realized that such noble intents can only be accomplished with a collective work and some sacrifice. While I have enjoyed my time as an officer of the Troast Club and found it to be a rewarding experience (and also fun) I must admit it requires much time, I believe in the work our club is trying to accomplish but it needs more than just a few active members. There is much that has to be completed and I am calling to all members to help us get everything done, from club house maintenance to volunteering to just attending meetings and giving ideas. Please consider giving a little of your time to keep our club going and continue to serve our community while having fun in between.

- - - Members' Dues Night - - -

We will be going to Brix City Brewing, a local microbrewery, at 4 Alsan Way, Little Ferry. The Club is providing snacks, and the bar bill will be split among those participating. Arrangements have been made with the owners for our event. Come out and enjoy brews the way they should be. You can find them on line under "BrixCity". Bring a friend. We will have a \$5.00 food charge for nonmembers. The football season is over, so we are meeting there at 3:00 p.m. Important! Call, text, or email Ken with how many are coming so we get enough food.
